Keep Uber in SC! The individuals who are employed by Uber are professional, polite and always reliable. The prices are always right and you don't need to carry cash around to make payment, everything, including your credit card is on file with their app. It's a wonderful alternative to taxis. Let's keep them in South Carolina!!

Sincerely,
Yana Kalinina

Sir/Madam--

I have been an Uber rider for nearly two years, and I have found their spotless cabs, friendly drivers, and reasonable rates to have raised for all cab companies.

Why are you going against the free market, especially when Uber meets or even exceeds those things you require of cab drivers and cab companies.

Please count me as a South Carolinian who wants Uber to stay in business.

Sincerely,

William Fitzgerald
